PHILOSOPHY

Athletics play an important part in the Tamalpais Union High School District. Young people learn a great deal from their participation in interscholastic athletics. Lessons in sportsmanship, teamwork, competition and how to win and lose gracefully are an integral part of each team in our athletic program. Athletics play an important part, too, in helping the individual student develop a healthy self-concept as well as a healthy body. Athletic competition adds to our school spirit and helps all students – spectators as well as participants – develop pride in their school.

COACHING REQUIREMENTS

Fingerprint/TB Clearance: No paid or volunteer coach may be in contact with any student prior to having been cleared by Human Resources (HR).

Age: All coaches, assistant coaches or volunteers must be at least 21 years of age unless otherwise approved by HR.

Certification: As of December 31, 2008, all paid and volunteer coaches must be certified as having completed a CIF-recognized coaching education program. Coaches are responsible for providing proof of certification to the Athletic Director. Coaching education programs are provided through the MCAL each season or on-line through CIF. Further information is on the following websites: <http://www.mcal sports.org/CoachingEducationProgram.htm> or http://www.cifstate.org/education_programs/coaching/coaches/index.html . New coaches must be certified before beginning their second season of coaching.

NCS/MCAL EXPECTATIONS

Season of Sport Meetings: Head coaches of all sports are **required** to attend two meetings – one each at the beginning and end of the season. Rule changes, issues during the season and selection of all-league recipients take place during these meetings. **Schools are charged \$100 for each meeting where the head coach or school representative does not attend.**

Seasons of Sport Dates:

Fall Sports	August 17, 2009
Winter Sports	November 9, 2009
Spring Sports	February 8, 2010

Scheduling Games: Coaches may only schedule games or change game sites with the agreement of the AD in advance. Coaches scheduling pre-season games must also consult with the AD prior to making the commitment to the other school.

Rescheduling Games: **Games may only be rescheduled by the AD.** Coaches should notify the AD immediately upon the possibility of the need of rescheduling a game. ADs may need to reschedule games due to weather or other emergencies. Cancelled games must be rescheduled on the first available play date.

Recruitment: According to CIF, NCS and MCAL rules, no coach, parent or other agent may contact a student or his/her family on behalf of a school's athletic team prior to that student's registration at the school. See The MCAL Constitution, By-law VIII, page 16 at http://www.mcal sports.org/const_by_laws/Bylaws.pdf for the details of the recruitment policy. Recruitment violations may result in ineligibility of the athlete, forfeiture of contests in which he/she has participated and/or disqualification of the team from post-season play.

Rules of Sport: Both NCS and MCAL have specific rules of sport. For the NCS Sports and General Rulings Handbook, see http://cifncs.org/sports_general_rulings/files/sptbk.pdf . The MCAL Sports Handbook is available at <http://www.mcal sports.org/SportsHandbook.htm>.

Forfeits: C.I.F. Member schools are expected to make every reasonable effort to fulfill their varsity schedule. League contests that are forfeited due to actions of intent or neglect that creates a competitive advantage for the school forfeiting the contests or a disadvantage to the other schools in the league shall be subject to sanctions and penalties. For NCS rules regarding forfeiture, see <http://cifncs.org/constitution/files/Constitution.pdf>, paged 52.

Reporting Scores: After each contest, varsity coaches should report scores to the Prep Central at the Marin Independent Journal (Prep Sports--Brian Bainum, bbainum@marinij.com, 382-7245. They should also be reported on-line at <http://calpreps.com/freemanratings1.htm>.

Application to Host: The NCS requires an Application to Host post-season contests. Specific facility requirements are necessary for each sport. The Application to Host may be filled out generically by the AD at the beginning of the year for all sports the school is willing to host playoff contests **OR** coaches may bring a specific Application to Host to the NCS seeding meetings. There is a NCS protocol about which schools are eligible to host various rounds once playoff seeding is complete.

DISTRICT EXPECTATIONS

Hiring: All hiring of coaches, assistant coaches and volunteer coaches must be accomplished through TUHSD hiring policies and practices. Coaches or parents may not make hiring decisions for their programs.

Discrimination: All practices and contests must be free of any discrimination or harassment due to gender, race, color, religious creed, national origin, ancestry, age, physical or mental disability or sexual orientation.

Sexual Harassment: Coaches must conduct themselves in a manner avoiding any verbal or physical sexual harassment situations.

Child Abuse: Any school district employee is a mandated reporter if he/she becomes aware of known or suspected incidents of child abuse. See your AD or Athletic Administrator if you are in this situation.

Hazing: No athlete maybe subjected to any derogatory or demeaning treatment as a condition of joining a team.

Professionalism: All coaches are expected to conduct themselves professionally in their role as a coach. Coaches should avoid personal social situations with their players.

Keys: Coaches are responsible for all keys issued. Keys should not be given to any other person. All keys must be returned to the AD at the end of the season. No keys may be used to access district property on Sundays or outside of scheduled practice or contest times. Stipend checks will not be issued until keys are returned.

Coaching Stipends: Below is the per season coaching stipend range approved effective July 1, 2007. Current district employees received a \$500 bonus over the posted coaching salaries. Coaching ranges were determined by recommendation of the TUHSD Athletic Council, which considered a combination of length of season, number of players, amount of equipment needed, risk of the activity and responsibility for the program.

Coaching Range	Effective 7/1/07	Positions
G	\$2,100	F Baseball, Cheerleading Asst., Cross Country, Golf, F/S B Soccer, G Tennis, Swimming & Diving Asst., F & JV G Volleyball, Waterpolo Asst.,
H	\$2,300	JV Baseball, F & JV Basketball, F & JV Head & Asst. & Asst. V Football, Lacrosse Asst., V B Soccer, F/S G Soccer, JV Softball, B Tennis, Track Asst., V G Volleyball, V Waterpolo, Wrestling Asst.
I	\$2,500	V Cheerleading, V G Soccer, V Swimming & Diving, B Volleyball,
J	\$2,975	V Baseball, V Basketball, V Football, V Lacrosse, V Softball, V Track, V Wrestling

Teacher Coaches: When a coaching opening occurs, interested current TUHSD teachers with appropriate qualifications have priority over other candidates for the position. See the AD or Athletic Administrator for further information.

Paycheck: Coaches will be paid in full at the end of each season after all inventory control, student bills and keys have been submitted.

Evaluations: ADs will collect confidential input on coaches from the athletes at the end of each season. The input will be compiled anonymously and shared with the coach during a post-season evaluation conference with the AD. Site administration will also gather data including meeting school expectations, observations of practices and contests and other input. Recommendations may be made for the following season. Coaches without satisfactory evaluations may not be asked to return the following year. Coaches are hired on a year-to-year basis.

Contracts: Coaches or parents are not authorized to sign contracts on behalf of the District for items such as pre-season schedules, purchases, transportation, field rentals or other District commitments. See the AD for contract arrangements.

SCHOOL/TEAM EXPECTATIONS

Pre-Season Meetings: All coaches are expected to attend the pre-season meetings held by the ADs. Attendance at these meetings will assure that each coach is aware of any new school or MCAL policies. It also gives coaches an opportunity to meet each other and share information and concerns.

Varsity Head Coaches: Head coaches are responsible for the development program of lower level teams. They should give direction to lower level and assistant coaches about the philosophy and direction of the program. They should work with the ADs regarding purchasing decisions and development of the coaches of lower level programs. They are responsible for making sure that teams do not play more than the allowed number of games or they may be disqualified from playoffs.

Uniforms and Equipment: Coaches should notify the AD at least one season in advance of **essential** uniforms and/or equipment that will be needed for the upcoming season. The coach and the AD should confer about all purchasing. **Coaches cannot be expected to be reimbursed for purchases made without prior approval by the AD or those above the cash purchase limit.** Uniforms are expected to last several seasons. Varsity uniforms in good condition are expected to be passed down to JV or freshman teams. Player's names may not be on uniforms unless they are the personal property of the athlete.

Inventory: Coaches are responsible for keeping an accurate inventory of uniforms and equipment for their sport. Records should be kept of school property issued to any athlete. Athletes should be billed through the Athletic Department for school property not returned at the end of the season. A team parent may assist with inventory control.

Eligibility: No student may try out, participate in practice or compete in an event unless they have been cleared by the Athletic Department for residential, academic and disciplinary eligibility as well as have a physician's clearance on file. **Do not accept a player for whom you do not have a current Athletic Participation Clearance Form in your possession. It is the responsibility of a coach to report immediately to the AD any known or suspected player ineligibility on your own team or an opponent's.** The AD will then investigate the situation. **Any competition in which an ineligible player participates will be forfeited.**

Communication: All coaches are expected to have good rapport as well as effective oral and written communication with team members and their families. Any team rules (written or otherwise) must be approved by the AD prior to distribution. **Keep all communications positive.** E-mail groups are a good way to distribute routine announcements quickly, but often are not effective for emotional issues. Please respond to parent phone calls as soon as possible, but no later than 48 hours after receipt. Avoid profanity.

Try-outs: Teams usually conduct try-outs for the team beginning on the first day of the season. No commitments for team membership may be made prior to the beginning of the season. All decisions for try-outs and playing time are the responsibility of the coach. All students, including freshmen, are permitted to try out for any sport provided they have academic, residential and disciplinary eligibility and have a physical exam on file. **If a student is currently playing on a team when try-outs for the next season's sports begin, that student will be allowed to try-out AFTER the current team's season is over.** Selection to participate on a team does not guarantee the student playing time during competition

"Meet the Coach" Events: Coaches are expected to arrange an opportunity for parents to meet the coach and any assistants prior the first contest of the season. This meeting should include discussion of team policies and expectations and address any questions that may arise from parents. Coaches should distribute schedules and team expectations. If a team

parent(s) has not already been identified, this is a good time to solicit that help. Inform the AD about the meeting time and place far enough in advance that administration can arrange a representative. Benchwarmers might also like to attend.

Practices: All athletes who make a school team are expected to attend ALL practices scheduled by the coach. Practices are usually limited to 2 hours plus a reasonable warm-up time every weekday. Practices may be held on Saturdays and during school holidays. Practices or contests may not be held on Sundays. A coach may establish reasonable consequences that are consistently enforced for players who miss practice and/or contests.

Practice Schedules on Non-School Days: TUHSD gives authority to coaches to establish team policies that may include holding practice and/or games during non-school days that fall within their season of sport. When teams have established practice/game schedules that are communicated well at the beginning of the season, it is expected that athletes will comply. No practices or games may be held on Sundays. No athlete may be penalized for observing a religious holiday.

School Attendance: In order to participate in an athletic contest, an athlete must have attended a minimum of four (4) regular periods or two (2) block periods on the day of the contest. A school field trip is considered to be school attendance

Early Releases: Coaches should notify ADs at the beginning of the season if an early release is required for athletes to get to a scheduled event on time. The AD is responsible for establishing the time of the release to minimize lost instructional time. Students have the responsibility to contact their teacher in advance to coordinate make-up work.

Team Parent(s): Volunteer team parent(s) can assist with routine team chores such as arranging private transportation, inventory control, maintaining an e-mail group, arranging team dinners and banquets and being of other help to the team and coach. Do not rely on team parents for clear communication with the team.

Transportation: BP3541.1(a) and BP3541.1(b)

The District may provide transportation for athletes to and from athletic events by contract with private transportation providers to the extent that funds are available for this purpose. Coaches should work with the AD as early as possible to make arrangements for out-of-county events. When funds are not available, the Superintendent, or designee, will neither authorize nor arrange for the transportation of the students by private automobile. **Rather, students and/or their parents will be expected to assume responsibility and make their own arrangements for transportation to practices and contests. Coaches should tell athletes where they should meet for a competition and what time. Coaches are never to provide transportation for students.** Team parent(s) can be responsible for making arrangements for teams where district-provided transportation is unavailable.

No Charge for Participation: No team may require students to pay for essentials for participation on an athletic team except for personal items such as shoes, mouthpieces. School uniforms or equipment may not have athlete's names on them. Team fund-raising may be pursued if a team voluntarily chooses to purchase additional items such as T-shirts, etc. Financial aid (see the AD) may be available if an athlete cannot pay for a personal item needed for team participation.

Locker Rooms: The coach is expected to supervise locker rooms during use by a team. Locker rooms should not be left open without supervision during practice or games.

Blood-Borne Pathogens: All coaches should follow blood-borne pathogen protocol when handling any situation where there is bleeding. Gloves should be used. All items exposed to blood should be bagged. No player who is bleeding or has blood on his/her clothing should be allowed to continue to practice or play until it has been treated or clothing changed.

MRSA: MRSA (methicillin-resistant staph aureus) is a staph infection that is resistant to many common antibiotics and hard to treat. It can be transmitted through poor hygiene, sharing of personal items, improper wound care and some other transmission sources. No cases have been reported in the MCAL schools. However, it is important to follow good hygiene precautions. For more information, see the CIF Sports Medicine alert at http://www.cifstate.org/health_safety/MRSA/MRSA%20students_parents.pdf

Officials: Officials should be treated with respect during and after contests, even if there disagreement with their calls. The head coach is responsible for the players and sideline demeanor of all coaches. **Any physical confrontation of an official by an athlete may be considered an assault. The athlete may lose athletic eligibility for their entire high school career under CIF Bylaw 211.**

The Press: Coaches are expected to exhibit positive sportsmanship and professionalism when talking to the press and to model winning with grace and losing with dignity for their team. Avoid criticizing officials or the opposing team.

End-of-season Obligations: All coaches are expected to complete certain responsibilities before coaching assignments are finalized. Failure to comply may affect future assignments and, possibly, final coaching stipend payment.

- End-of-season recognition and awards for team members.
- Inventory of school property and bills for school property that is damaged or not returned.
- Proper storage of school property until the next season.
- Recommendations to the AD for needed purchases before the next season.
- Return of all keys.

OTHER

Booster Clubs: The TUHSD athletic departments are fortunate to have very supportive athletic booster clubs. Some are formed to support a specific school sport. These groups play a large part in creating a positive experience for all student athletes. Head coaches should contact the AD to make a funding request to a school-wide booster club. If a sport has its own booster club, the head coach is expected to attend all meetings and, along with the AD, be responsible for the conduct of the booster club in accordance with CIF, NCS, MCAL, District and school policies for the benefit of the athletic program.

Financial Aid: See the AD or Athletic Administrator if an athlete needs financial aid to obtain something personal required for participation in a sport (i.e. cleats, mouthpiece, etc.). Each school has a different process for assisting families, but financial need should not preclude participation in athletics.

Fund Raising: Teams may feel the need to raise money to support their activities. Any fund-raising activity must be approved by the AD and the Associated Student Body (ASB) prior to commitment. All money must go directly into ASB accounts and purchases must be made from those same accounts. In no case should team money be kept by a coach or parent or deposited into private accounts. All money raised must be for the benefit of the team and no individual can make a profit. No food sales (such as candy) may be made during the school day without prior approval.

“Open Gym/Field” Activities: Any out-of-season activity conducted by a coach using district facilities must be arranged through the TUHSD Facility Coordinator and as a Community Education class. No off-season coach may use district equipment or facilities without paying the same fees as would be charged to any other community user. For facility rental information, see <http://www.tamdistrict.org/facilityuse/index.htm>. To arrange a Community Education class at least six months in advance, see <http://www.tamdistrict.org/commed/newclassapp.pdf>.

Marin Athletic Foundation: The MAF is a non-profit fund-raising and social organization whose goal is to support athletics in Marin County. Events they sponsor include a Fall Sports Mixer for all coaches, ADs and athletic administrators, the MAF Hall of Fame dinner, the MAF Golf Tournament and the MAF Student Athlete recognition dinner.

TUHSD Athletic Council: The TUHSD Athletic Council represents all three comprehensive schools and is composed of athletic directors, athletic administrators, presidents of the athletic booster clubs, and two members of the Board of Trustees. The Athletic Council meets four times each year to recommend athletic policies to the Board of Trustees. Items for consideration may be brought forward through the site athletic booster club.

TUHSD Athletic Coordinator: The TUHSD Athletic Coordinator’s responsibility is to support the District’s athletic program and the athletic directors. The District AC, Sue Chelini, can be reached at 415-945-1014.

16 PRINCIPLES OF “PURSUING VICTORY WITH HONOR”

1. The essential elements of character building and ethics in CIF sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring and good citizenship. The highest potential of sports is achieved when competition reflects these “six pillars of character.”
2. It’s the duty of School Boards, superintendents, school administrators, parents and school sports leadership – including coaches, athletic administrators, program directors and game officials – to promote sportsmanship and foster good character by teaching, enforcing, advocating and modeling these “six pillars of character.”
3. To promote sportsmanship and foster the development of good character, school sports programs must be conducted in a manner that enhances the academic, emotional, social, physical and ethical development of student-athletes and teaches them positive life skills that will help them become personally successful and socially responsible.
4. Participation in school sports programs is a privilege, not a right. To earn that privilege, student-athletes must abide by the rules and they must conduct themselves, on and off the field, as positive role models who exemplify good character.
5. School Boards, superintendents, school administrators, parents and school sports leadership shall establish standards for participation by adopting and enforcing codes of conduct for coaches, athletes, parents and spectators.
6. All participants in high school sports must consistently demonstrate and demand scrupulous integrity and observe and enforce the spirit as well as the letter of the rules.
7. The importance of character, ethics and sportsmanship should be emphasized in all communications directed to student-athletes and their parents.
8. School Boards, superintendents, school administrators, parents and school sports leadership must ensure that the first priority of their student-athletes is a serious commitment to getting an education and developing the academic skills and character to succeed.
9. School Boards, superintendents, principals, school administrators and everyone involved at any level of governance in the CIF must maintain ultimate responsibility for the quality and integrity of CIF programs. Such individuals must assure that education and character development responsibilities are not compromised to achieve sports performance goals and that the academic, social, emotional, physical and ethical well-being of student-athletes is always placed above desires and pressured to win.
10. All employees of member schools must be directly involved and committed to the academic success of student-athletes and the character-building goals of the school.
11. Everyone involved in competition including parents, spectators, associated study body leaders, and all auxiliary groups have a duty to honor the traditions of the sport and to treat other participants with respect. Coaches have a special responsibility to model respectful behavior and the duty to demand that their student-athletes refrain from disrespectful conduct including verbal abuse of opponents and officials, profane or belligerent trash-talking, taunting and inappropriate celebrations.
12. School Boards, superintendents, and school administrators of CIF-member schools must ensure that coaches, whether paid or voluntary, are competent to coach. Training or experience may determine minimal competence. These competencies include basic knowledge of:
 - 1) The character building aspects of sports, including techniques and methods of teaching and reinforcing the core values comprising sportsmanship and good character.
 - 2) The physical capabilities and limitations of the age group coached as well as first aid.
 - 3) Coaching principles and the rules and strategies of the sport.
13. Because of the powerful potential of sports as a vehicle for positive personal growth, a broad spectrum of school sports experiences should be made available to all of our diverse communities.
14. To safeguard the health of athletes and the integrity of the sport, school sports program must actively prohibit the use of alcohol, tobacco, drugs and performance-enhancing substances, as well as a demand compliance with all laws and regulations, including those related to gambling and the use of drugs.
15. Schools that offer athletic programs must safeguard the integrity of their programs. Commercial relationships should be continually monitored to ensure against inappropriate exploitation of the school’s name or reputation. There should be no undue influence of commercial interests. In addition, sports programs must be prudent, avoiding undue dependency on particular companies or sponsors.
16. The profession of coaching is a profession of teaching. In addition to teaching the mental and physical dimensions of their sport, coaches, through words and example, must also strive to build the character of their athletes by teaching them to be trustworthy, respectful, responsible, fair, caring and good citizens.

“Pursuing Victory With Honor” and the “Six Pillars of Character” are service marks of the CHARACTER COUNTS! Coalition, a project of the Josephson Institute of Ethics. For more information on promoting character education and good sportsmanship, visit www.charactercounts.com.

SPORTSMANSHIP:

TUHSD and MCAL have adopted the **16 Principles of “Pursuing Victor with Honor”** (see page 9). The District desires the best experience for all our student athletes. Coaches, players and fans are expected to and held accountable for representing their school with dignity and class. **Anyone (athlete, student or adult) not conducting themselves in a positive manner may be ejected from an event and/or suspended from future events.**

TUHSD Athletic Code of Conduct: AR6145.21(b)

Players will:

1. Show respect for teammates, coach, opponents and officials.
2. Use no foul language, trash talk, negative gestures or actions to provoke a negative response or fighting.
3. Be in attendance at school a minimum of four (4) periods (or block schedule equivalent) before being allowed to practice or play on a given day.
4. Have a minimum of a 2.0 GPA according to school and NCS policy.
5. Sign a contract agreeing to the above expectations.

Coaches will:

1. Be consistent, attempt to instruct in a positive manner and use appropriate language at all times.
2. Not tolerate unsportsmanlike behavior actions by players, assistants or volunteer coaches.
3. Place the safety and welfare of players as their highest priority.
4. Allow no student to practice or play in competition without a completed Athletic Participation Clearance form.

Spectators will:

1. Show cordial courtesy to visiting teams and officials.
2. Emphasize the proper ideas of sportsmanship and conduct

Unsportsmanlike Actions: AR6145.21(f)

Unsportsmanlike conduct will be dealt with by reprimand and counseling by the coach or appropriate other school officials. Actions of this nature may lead to benching or suspension or withdrawal of athletic privileges and school disciplinary intervention if the rules/policies are violated.

NCS/MCAL Ejection Policy:

1. Ejection of a player from a contest for unsportsmanlike or dangerous conduct.
Penalty: The player shall be ineligible for the next contest (non-league, league, invitational tournament, post-season {league, section or state} playoff, etc.).
2. Illegal participation in the next contest by a player ejected in a previous contest.
Penalty: The contest shall be forfeited and the ineligible player shall be ineligible for the next contest.
3. Second ejection of a player for unsportsmanlike or dangerous conduct from a contest during one season.
Penalty: The player shall be ineligible for the remainder of the season.
4. When one or more players leave the bench to begin or participate in an altercation.
Penalty: The player(s) shall be ejected from the contest-in-question and become ineligible for the next contest (non-league, league, invitational tournament, post-season {league, section or state} playoff, etc.).
5. Coaches are responsible for determining the cause of ejection for any of their players and are responsible for enforcement of the Ejection Policy. Confusion over the cause for a player's ejection shall not be the basis for allowing a student who has been ejected under an applicable rule to avoid the sanctions required by the Ejection Policy (either prohibition from participation or forfeiture) should a student who is in violation of the Ejection Policy play in a subsequent contest (BOM 10/24/97).

Coaches' Ejection: A coach who ejected from a contest by an official must leave the venue and grounds immediately and will not be allowed to coach or attend the next contest. The coach may also be subject to school disciplinary procedures.

Inappropriate Behavior: Certain behaviors are considered inappropriate and unacceptable. **The school and athletic department reserve the right to refuse admission or remove persons, including adults, who exhibit such behaviors including, but not limited to:**

1. Repeated berating, humiliating or taunting of our coaches, players or spectators.
2. Repeated berating, humiliating or taunting of our opponents coaches, players or spectators.
3. Repeated berating and harassment of game officials.
4. Racist, sexist or profane remarks directed at any team, coach, player, official or spectator.

OFFICIALS:

Officials should be treated with respect during and after contests, even if there is disagreement with their calls. Any physical confrontation of an official by an athlete may be considered an assault. The athlete may lose athletic eligibility for their entire high school career under CIF Bylaw 211.

MCAL SPORTSMANSHIP GUIDELINES :

PLEASE

- Encourage your team by positively cheering for them
- Sit in the area designated for your school
- Welcome the visiting team and officials with good sportsmanship and respect
- Reserve the front row of the student rooting section for the cheerleaders

NO

- Face painting except a small school logo, mascot or initials not to exceed 2 square inches in size
- Yelling, booing or heckling an official's decision
- Costumes, except for school mascots
- Artificial noise makers like air-horns, cowbells, clappers, megaphones and drums
- Laser pointers
- Throwing things into or out of the crowd
- Bringing basketballs into the facility
- Playing basketball during half-time or between games
- Re-entry into the gym once you leave

Doors will close at the end of the third quarter.

School personnel are authorized to eject any spectator who displays inappropriate behavior at any time

RESPONDING TO PARENTAL CONCERNS ABOUT THEIR STUDENT’S ATHLETIC EXPERIENCE

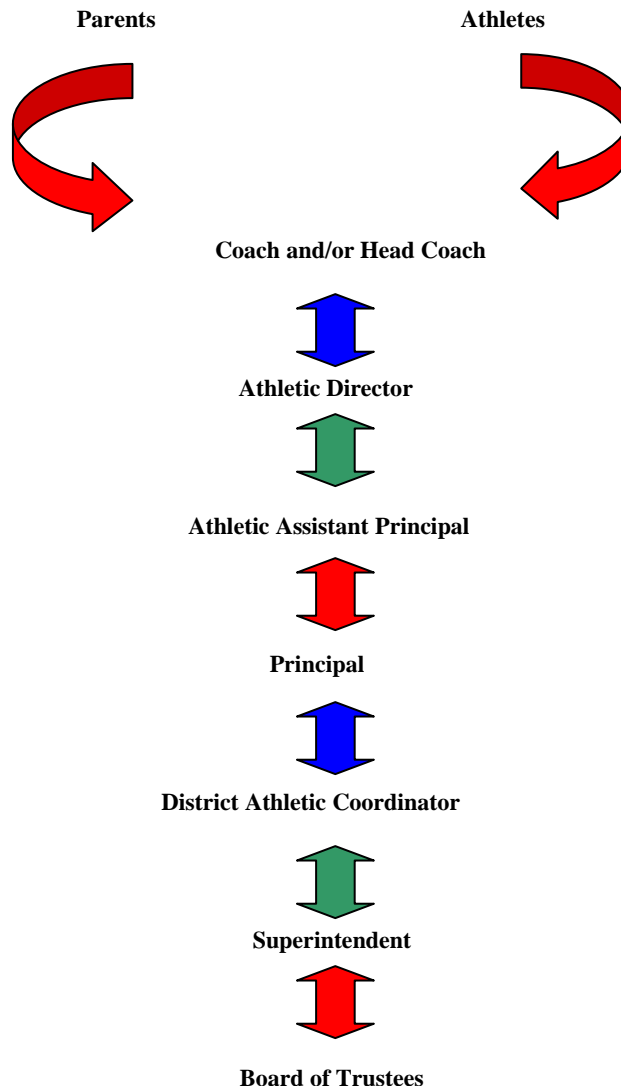

If parents have a concern, they are asked to express it at the appropriate time and place. Below is the TUHSD Athletic Chain of Command. We ask that parents refrain from confronting coaches immediately after games or at practices. It is expected that concerns will be addressed first with the coaches involved before proceeding through the Athletic Chain of Command. Anonymous letters or phone calls will NOT be treated with any credibility.

No athlete should have consequences in practice, amount of playing time or other treatment due to expression of a concern about his/her athletic experience by either the athlete or a parent.

Parents and athletes are asked to follow these steps in order until they feel the issue is resolved.

1. Have the athlete speak to the coach. Sometimes the coach is unaware of the athlete’s concerns or feelings.
2. Arrange an appointment for the parent to speak with the coach. Coaches will respond as quickly as possible.
3. If either parent or coach is not satisfied, call or write the Athletic Director and follow the Chain of Command.

TUHSD ATHLETIC CHAIN OF COMMAND

All Personnel

CODES OF ETHICS

BP 4119.21, 4219.21, 4319.21

The Board of Trustees expects District employees to maintain the highest ethical standards, to follow District policies and regulations, and to abide by state and national laws. Employee conduct should enhance the integrity of the District and the goals of the educational program.

In order to promote the highest ethical standards in an educational setting, the Board of Trustees prohibits any employee of the District from engaging in an inappropriate relationship with a student while that student is enrolled in a District school.

The Board encourages District employees to accept as guiding principles the codes of ethics published by professional associations to which they may belong.

(cf. 9271 – Code of Ethics)

CODES OF ETHICS

AR 4119.21, 4219.21, 4319.21

Tamalpais Union High School District employees interact with students in a number of settings. A District employee's actions are a reflection on the District. Therefore, the District requires employees to exercise the highest level of professionalism in all interactions with students.

To assist District employees, the following guidelines have been developed. Employees of the District must exhibit professional and appropriate behavior with students including:

1. Maintaining a professional barrier between the employee and students
2. Teaching and demonstrating responsible citizenship
3. Being a good adult role model
4. Exhibiting a caring, honest and professional attitude

Examples of prohibited employee behaviors with students include, but are not limited to:

- Intentional embarrassment of students
- Sharing confidential information with students
- Accepting gifts or favors that might impair or appear to impair professional judgment
- Flirting with students
- Discussing their personal life or personal matters inappropriately with students
- Making personal telephone calls, writing personal notes, writing personal emails, writing, personal text or instant text messages or writing personal blog notices to students that are unrelated to school business
- Referring students to web pages that portray inappropriate or unprofessional images or behavior
- Meeting with a student off campus if the meeting is unrelated to school business
- Sexually harassing a student
- Engaging in sexual relationships with students

If an employee is concerned about the appropriateness of a contact with a student, the employee is advised to confer with his/her supervisor for guidance.

Employees who violate this policy may be subject to discipline.

Policy
